“A Diverse Community Where Great Minds Grow”

Wednesday, March 10th 2021

BISON Scholarship:

1. If you are already receiving BISON tuition assistance, you should have received an email from BISON. Within this email is a link to complete the re-certification application for next school year 2021-2022. To complete this BISON application you will need:

- Your 2020 Federal Income Tax form 1040, pages 1 and 2
- Public Assistance and/or SNAP letters, Disability benefit papers
- Any child support papers

2. If you are new to BISON or have not been notified that you are off the waiting list you should file a new BISON Pre-Application online at: <https://bisonfund.com/our-scholarships/>

If you have any question, please call the school office at 873-7497

OLBR On-Site COVID-19 Testing:

Aveanna Healthcare was here at OLBR today: March 9th

to conduct COVID-19 rapid tests for 10% of our IN School students and staff.

If we have a signed consent form on file, your student maybe tested on this day. We understand that our school is not in a COVID restricted zone, but we do intend to keep up to date with testing in an effort to keep our school community safe.

Our testing date of March 9th showed 100% Negative, No COVID cases to report.

OLBR IMPORTANT Parent Letter:

A letter was sent home in the mail this week to address OLBR families. This letter is being used as a tool to begin communication about the future of our school. More information will be given as it becomes available. For now, please call the school office (873-7497) with any questions or concerns you or your child may have.

Station of the Cross:

Students will be going to Stations of the Cross at Assumption Church on Fridays during Lent at 1:15PM. Parents are welcome to attend.

Report Cards for the 2nd Trimester:

Report Cards will be sent home later this month. Parents please talk with your child and encourage them to check and make sure all school work has been completed and handed into their teacher(s).

PE Gym class

PE Gym Classes will resume at OLBR School the week of February 22nd. Class will be low activity with social distancing. Students may dress down on scheduled gym class days in comfortable active wear. Teacher will go over schedules with students when they return to IN School Learning.

Meals for Our Remote Learners

Please view the ATTACHED BPS Meal Distribution form to find a site near you for meal pick up. At these site all children 18 years of age and younger may receive meals.

Student Borrowed Laptops

Students that are using OLBR laptops and will be returning for IN PERSON School Learning MUST bring back these devices during Student BIN Drop Off times.

Students are NOT ALLOWED TO DOWNLOAD GAMES, MUSIC, MOVIES or APPS such as ROBLOX. We have a record of devices and who has them. Devices will be checked on return. If it's found that there were illegal downloads, your family will be responsible for any costs involved in cleaning hard drives or repairing abused/damaged devices. The charge to replace a device that cannot be repaired is \$400 per device, per family

Tuition Bills

OLBR Tuition Statements are sent out monthly. It is important that you MUST pay something on your tuition EVERY MONTH so we can continue to pay the operational costs to keep the building open (heat, electricity, water is NOT free). Tuition may be dropped off at school, using the RED OLBR Payment box, in the downstairs hallway near the office or payments can be mailed into school at:

OLBR School
16 Peter Street
Buffalo, NY 14207

Reporting OLBR Student Illness

OLBR School is required to do daily reporting to NYS Department of Health for all student and staff illness and absences, being **remote or in school learning**. The purpose of this requirement is to inform parents and the communities around us of potential COVID19 virus spread. *If your child gets ill at home, a regular practice is that you notify the school office in the morning (for any type of illness). However, **in the event that your child or any family member gets tested and is found positive for COVID19, we ask that you report this to the school as soon as you are able.*** The Erie County Department of Health is responsible for contract tracing. Sometimes this process may take a few days for parties that may have been exposed to be contacted. By you reporting a positive case to the school, it may help mitigate a potential spread right here in our school building. We thank you for your cooperation.

When an OLBR student is seen by our school nurse during the school day and you are informed by her that your child exhibits any of the following:

fever, cough, headache, congestion, sore throat, stomachache, vomiting, and diarrhea. These symptoms do not indicate your child has COVID-19, however, the symptoms do align with those who have contracted the COVID virus. Therefore, one of the three criteria **MUST** be met before your child can return back to school:

1. Your child's doctor provides an alternative medical diagnosis
2. Your child has a negative COVID19 diagnostic test
3. Your child stays home from school for 10 days and is symptom free

If your child tests positive for COVID-19:

All the following criteria must be met before he/she can return to school:

1. At least 10 days after COVID-19 symptom onset or ten days from his/her first positive test if asymptomatic **AND**
2. Fever-free for at least 72 consecutive hours without the use of fever-reducing medication **AND**
3. Respiratory symptoms are improving

STOP THE SPREAD OF GERMS

Help prevent the spread of respiratory diseases like COVID-19.

Avoid close contact with people who are sick.

Cover your cough or sneeze with a tissue, then throw the tissue in the trash.

Avoid touching your eyes, nose, and mouth.

Clean and disinfect frequently touched objects and surfaces.

Stay home when you are sick, except to get medical care.

Wash your hands often with soap and water for at least 20 seconds.
